Courses

GEOG 4023 Applied Geographic Information Systems	3 hours	Grade _____
Upper level science electives (only one hour may be a lab)	8 hours	Grade _____

Total Hours 20

Student Degree Program Requirements.

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program. Students must meet the above program requirements and the graduation requirements as indicated by institutional and departmental policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students must be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive semesters (excluding summer terms), they must re-enroll under the program requirements of the current catalog. Students are responsible for understanding the requirements of the current catalog. Students are responsible for understanding the requirements of the current catalog.
